

MINISHOOT TERMS & CONDITIONS

Thank you for booking with Rocking Horse Photography. Please read through these Terms and Conditions before finalising your booking. For your comfort and ease I have summarised the key points (as I see them). Please note, my summary is not legally binding nor official, I have simply done this to make your review of the full Terms and Conditions simpler.

Summary

1. There must always be a **parent or guardian** of any children present, at photoshoots.
2. You may not take **your own photos** during a session. Doing so can distract your child(ren) and make it impossible for the professional you have paid (me), to capture their portraits. Failure to comply may result in the immediate termination of your session; so please, don't do it.
3. **Session fee** payment is due in full at the date requested during the enquiry process. Without this, the session date and time are not confirmed.
4. You have a legal **right to cancel** a photoshoot session ("cooling off period") within 14 days from booking, provided the photoshoot has not already happened. After the 14-day cooling off period, if you wish to cancel, with more than 14 days to go to your photoshoot, then you are also entitled to a full refund. Within 14 days of your session date, any refund is at my sole discretion. (I am not an unreasonable person!) Refunds are not available for lateness / unreasonable cancellations. Lateness may result in the session either be cancelled (rescheduled sessions will be charged as a new session), or time being added and charged for; at my sole discretion.
5. If you wish to **reschedule** a session, please let me know as soon as possible. I offer one reschedule free of charge (at a mutually convenient date and time, provided the reschedule has been requested with at least 48 hours' notice of the session). Subsequent reschedules are charged at 50% of the session fee. Rescheduled photoshoots may not be cancelled.
6. Please **back up your digital images** in more than one location. I do archive purchased images and aim to keep them for a minimum of 6 years after your session, but this is not a guarantee nor part of the service being purchased. If you require files to be retrieved from back up there is a £30 administration fee.
7. Purchased digital files are supplied only as **jpegs**, without watermark, in most instances as the highest resolution files available. Unedited files or other file formats are not supplied. The files you view to make your image selections from are watermarked.
8. There is no legal right to cancel any **bespoke items** ordered including but not limited to wall art, prints and albums. Clearly if I have not already placed the order and you wish to change your mind, please get in touch and I will make every reasonable effort to change your order or refund you, less charges or costs (including time) incurred and further design and ordering appointment(s)/time as required.
9. Please **check any physical artwork products ordered on delivery**. In the unlikely event of damaged goods being received please sign for them as damaged and inform me immediately (and certainly

within 12 hours of receipt). I make every reasonable effort to replace damaged goods as quickly as possible and at no extra expense to yourself provided this guidance and any subsequent guidance is adhered to.

10. **Copyright** of the images remains with the photographer under section 11 of the Copyright, Designs and Patents Act 1988. Digital images are provided with the right for you to re-print at your leisure for personal consumption. Printed artworks cannot be reproduced (but are usually supplied with the corresponding digital file so you shouldn't need to photograph / photocopy them etc!) Editing, re-cropping or other manipulation of the files is not permitted. If you would like further retouching done, please come back to me.

11. **Privacy** – I only use your personal data to fulfil my services to you. To do this, I do have to share your data with other third parties like, but not limited to, online payment providers, online booking systems, online galleries & external retouchers. All my partner, to my knowledge are GDPR compliant. I do not sell or share your data with any other companies or individuals for any other purposes. If you have given me express permission, I may send you marketing communications from time to time.

12. Sometimes, **events outside of our control happen**. These Terms and Conditions also detail what may happen in those circumstances. Hopefully in such situations, common sense will prevail, and we will all do the best we can in any such circumstances so that everyone is happy, and no one is short changed.

13. If a session is rescheduled anytime before the session start time, because of illness with COVID-19 / government request to self-isolate for any one within the group of attendees for your session; then you may reschedule our appointment / receive a refund / put the session fee towards a standard session as detailed above with no charges, once. Please note that in this case a proof of illness / requirement to self-isolate will be needed.

If a session or appointment has to be cancelled or rescheduled as a consequence of negligence or non-adherence to the COVID-19 precautions and requests, (or also for example lateness, or a forgotten session) then your session fee is forfeit and/or you may be charged in accordance with these Terms and Conditions for (a) new appointment(s).

TERMS & CONDITIONS

1. The Photoshoot

We will use all reasonable endeavours to hold the photoshoot on the photoshoot date, at the photoshoot location agreed, subject to our cancellation, rescheduling and refund policy set out below.

Due to the nature of the subjects of the photographs we take during your photoshoot, we cannot guarantee any particular outcomes or guarantee the fulfilment of any specific requests for the photoshoot. However, we will conduct the photoshoot using professional skill and care.

In any event, we will endeavour to accommodate any reasonable requests from you regarding the artistic direction of the photoshoot, but the photographer retains absolute discretion as to the nature of the photographs.

A parent or guardian must be present at all times if we are photographing children.

You must not take any photographs during the photoshoot (without first obtaining permission from the photographer); doing so may result in the immediate termination of your session, at the photographer's discretion. Alternatively, if you prefer to continue taking your own photographs, you may do so upon payment for all digital images as laid out in the current pricing guide.

2. Packages and Artwork Products

Following your photoshoot, we will prepare and make available a selection of images from your photoshoot. At our discretion and by prior arrangement these may be presented to you either in person (at the studio or another location by prior arrangement only) or exceptionally for mini sessions via a watermarked online gallery. In either case, we aim to have your proofs gallery ready within 10 days of the photoshoot date for mini sessions, but during busy periods this timeframe may be extended.

The number of photographs in your proofs gallery will vary from session to session and will have been communicated to you at the time of booking. We will take into consideration your specific requests as regards the contents of your proofs gallery, but we retain absolute discretion regarding:

which photographs we include in your proofs gallery (it being acknowledged that not all photographs taken during the photoshoot will be included); and

the application of any digital editing to any photographs.

Requests you make for specific corrections to images, or re-editing of images, may attract additional costs.

We also accommodate specialist or bespoke requests for retouching of photographs at additional cost. We may need to refer certain retouching services to our third-party partners. We will advise you of the costs upon request. Please note that we do not provide raw images.

3. Viewings Your Photographs (“gallery viewing, design and ordering appointment”)

For mini sessions, in-person gallery viewing, design and ordering appointments are not offered as standard. If you wish to view your images in person, please communicate this upon booking your session.

4. Viewing Your Proofs from an Online Gallery

Your proofs gallery will be presented as an online gallery comprising low resolution web-sized watermarked files. We will advise you by email when online proof gallery is ready for you to view. Your gallery will be available for a limited period of time from the date of the email, as specified by Rocking Horse Photography. This is usually one week but may be less. Unless otherwise agreed by the photographer, you must make your selection and purchase of photographs, package and artwork products within this availability period. We reserve the right (at our option) to charge a fee for extending the availability of your proofs gallery.

Your proofs gallery may be subject to password-protection. Only you may access your online proof gallery. You are solely responsible for maintaining the confidentiality of any password we provide. You agree to accept responsibility for all activities that occur through use of your password by a third party.

You acknowledge that: (i) your access to and use of your online proof gallery may be suspended during any unanticipated or unscheduled downtime or unavailability of any portion or all of our website, including as a result of power outages, system failures or other interruptions; and (ii) we are entitled, without any liability to you, to suspend access to any portion or all of your online proof gallery and/or our website at any time (a) for scheduled downtime to permit us to conduct maintenance or make modifications to your online gallery or our website; (b) in the event of a denial of service attack or other attack on our website and/or our servers or other event that we determine, in our sole discretion, creates a risk to you or to any of our other users; or (c) if it is necessary or prudent to do so for legal or regulatory reasons (collectively, "Service Interruptions"). Where practicable, we will endeavour to post updates on our website regarding any Service Interruption and resumption of service following any such suspension, but we are not liable for the manner in which we may do so or if we fail to do so and we shall have no liability whatsoever for any damage, liabilities, losses (including any loss of data or profits) or any other consequences that you may incur as a result of any Service Interruption.

5. Viewing Your Proofs from a Video Call

For mini sessions, video call gallery viewing, design and ordering appointments are not offered as standard. If you wish to view your images via video call, please communicate this upon booking your session.

6. Artwork Products

If you order an artwork product, a proofed layout of the artwork product, together with any options available to you, will be submitted to you for approval before the artwork product is printed, with the exception of artwork and prints ordered directly through the any online proof gallery you are given, where a visual representation will be presented to you prior to the purchase being completed. When orders are placed directly with the photographer (not through your online gallery), you may request

reasonable changes as part of the approval process, but some changes may be subject to additional charges. We will advise you if additional charges apply.

We will not submit any artwork product for printing unless and until the proofed layout has been approved by you and you have confirmed your options (where available). You will be liable for any costs associated with any changes requested after you have approved the proofed layout.

7. Delivery

We will let you know when you place your order when to expect to receive the package and artwork products (as applicable). Lead times from receipt of your order and payment typically start at two days for digital images and up to 6 weeks for some artwork products (although typically printed items take 2-3 weeks from your approval of proofs). Any delay in payment of fees payable to us will affect the delivery period. If your package includes digital images, these will be delivered via an online gallery and download link, subject to the same availability, confidentiality and "Service Interruptions" Terms and Conditions as Section 4 ("Viewing Your Proofs from an Online Gallery".) Artwork products will be delivered to the address agreed as part of the ordering and viewing appointment / as specified in other communications.

Risk in the package and artwork products will pass to you upon delivery. You are strongly advised to check all packages and product upon delivery, prior to signing for any goods so that any damage upon arrival can be communicated immediately and the package can be signed for as damaged. At the sole discretion of our print suppliers, damaged goods may be reproduced and re-delivered. The original damaged item may be required to be sent back. Any returns will be arranged between you and the photographer. Please note that new delivery timings may apply.

Once you receive your digital files please store them safely and be sure to back them up so that if your files corrupt or are lost from one source, your images are not wholly lost.

8. Archiving

Images are archived for a limited period of time after your shoot. If you need to access them again, please get in touch to see if your images are still available. If they are available, I can resend you any previously purchased jpegs for a £30 administration fee. (I prefer not to charge this, so highly recommend creating multiple back-ups of your images).

Any orders placed once your photographs have been archived may incur a retrieval fee, in addition to the cost of the order.

Please note that your photographs may be destroyed or archived at our discretion after the expiration of the applicable ordering period referred to in these Terms and Conditions, although it is not my usual practice to do this, and I aim to hold all edited images for a period of at least (but not limited to) 6 years from your session date.

At your request and subject to payment of a £30 administration fee, we may agree to reinstate an online gallery that has been archived or extend the viewing period for an online gallery that is still active. We are unable to reinstate any online gallery where the images have been destroyed.

9. Cancellation, Rescheduling, Lateness and Refund Policy

9.1 Cancellation

Legal right of cooling off: You have 14 days after the day we accept your booking to cancel the photoshoot; this is called the cooling off period. However, once we have completed the photoshoot you cannot change your mind, even if the cooling off period is still running. If the cooling off period is still running and you decide to cancel after we have started the photoshoot, you must pay us for the services provided up until the time you tell us that you have changed your mind. We will refund you the total session fee by the method you used for payment within 14 days, less the cost of any photography services already provided up to the time of cancellation (including any supplemental session fees such as parking or travel charges). We offer additional cancellation rights that apply once the cooling off period has expired. These are set out below.

Additional Cancellation Rights. In addition to your legal rights referred to above, you are entitled to a full refund of the session fee if you cancel your photoshoot no later than 14 days prior to the photoshoot date. Except in exceptional circumstances and in our sole discretion, we are unable to refund the session fee if you cancel after this date, but you may request that the photoshoot date is rescheduled. Any supplemental session fees paid or payable to a third party are only refundable to you following cancellation of the photoshoot if we are ourselves able to obtain a refund from the third party.

If you wish to cancel the photoshoot, please contact us using the phone or email.

We may cancel your photoshoot for any reason prior to the photoshoot date. We will then provide a full refund of the total session fee, unless we agree a rescheduled photoshoot date with you. *If the cancellation is due to your non-compliance or negligence in relation to your COVID-19 obligations then we are not required to reschedule the photoshoot or refund any of the total session fee to you, but may offer a 50% reduction on rebooking a session at the sole discretion of the photographer.*

(Please note that it is unlikely that a session will be cancelled by your photographer without good reason such as inclement weather for outdoors shoots, or photographer's sickness).

We may terminate your photoshoot on the photoshoot date if we consider there are extenuating circumstances, for example, inappropriate behaviour or if a model/client is ill. We are not required to reschedule the photoshoot or refund any of the total session fee to you in these circumstances.

9.2 Rescheduling

You should give us as much notice as possible if you wish to change the photoshoot date. Occasionally, we may need to reschedule the photoshoot date (for example, because of weather conditions or events outside our control) and, in such event, we will give you as much notice as possible. We will use reasonable endeavours to reschedule the photoshoot to a date that suits you, but cannot promise that an appropriate date will be available. If a suitable date cannot be found you will be given a refund of the total session fee, *unless the rescheduling & subsequent cancellation requirement arises out of your non-compliance or negligence in relation to your COVID-19 obligations.*

You may reschedule the photoshoot date once (provided the reschedule is requested at least 48 hours in advance of the session) at no cost to you after which you must pay a fee equal to 50% of the original session fee each you time you wish to further change the photoshoot date. Any supplemental session fees paid or payable to a third party are only refundable to you following rescheduling of the photoshoot if we are ourselves able to obtain a refund from the third party. You may be required to pay further supplemental session fees in connection with the rescheduled photoshoot date.

Rescheduled photoshoot dates may not be cancelled.

If during the COVID-19 pandemic you need to reschedule any in person-appointment in relation to your photoshoot, due to illness with COVID-19 or a government request to self-isolate because of COVID-19, the reschedule should be requested as early as possible before your appointment and certainly before it is due to take place. In this case no session fee will be forfeited and there will be no charge for a rescheduled date (outside of the self-isolation period for all those it is applicable to) provided proof of illness / requirement to self-isolate is provided. This is not applicable to self-isolation requirements following foreign travel. Such cancellations are treated under the standard cancellation policy. Rescheduled photoshoot dates may not be cancelled by the same party again. Where reschedules are permitted, you may prefer to put your session fee towards a full standard session at a later date or received a full refund of your session fee. Any deviation from this condition is at the sole discretion of the photographer. In line with the standard Terms and Conditions detailed above, any further re-schedule will be charged at 50% of the original session fee.

9.3 Lateness

Refunds are not available for lateness or cancellations less than 48 hours before the session (*with the exception of Covid-19 cancelations as detailed*). Late arrival at a session may result in the session either be cancelled (a replacement sessions will be charged as a new session), or time being added and charged for (on the day, if the diary allows for this) at the standard rate of £40 per 15 minute block; at the photographer's sole discretion. You may be offered to complete the session in the remaining time available without an extension / reschedule, if, at the sole discretion of the photographer, it is deemed plausible to still achieve the planned images in the remaining time. There is no guarantee that the images will still be possible.

9.4 Refund Policy

You should check your delivered package and artwork products and advise us in writing of any defects or errors as soon as possible and certainly within 12 hours of receipt.
